THE MULTITEK CART

FITS SEAMLESSLY INTO YOUR WORK ENVIRONMENT

UNDER THE WORK SURFACE

IN A STORAGE CABINET

NEXT TO THE WORK SURFACE

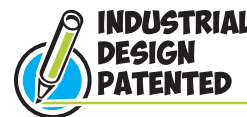

To perform vehicle repairs and maintenance, technicians need a variety of tools and parts near to the vehicle and within easy reach. With the MultiTek Cart, you can reduce the need to constantly go back and forth, and thus increase your efficiency. Every technician has their own way of working, and the requirements of each task can vary considerably between vehicles and between dealerships. The MultiTek Cart is therefore the perfect work companion because it can be personalized to suit your needs and working style.

THE HEAVY-DUTY AND VERSATILE MULTITEK CART WILL BECOME YOUR ESSENTIAL WORK COMPANION

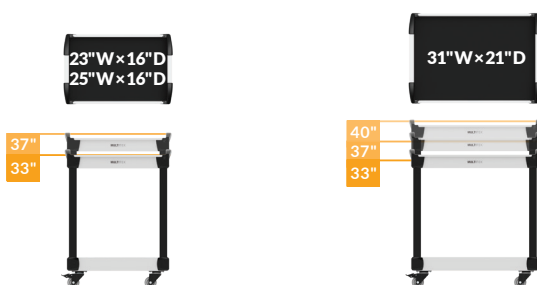

The MultiTek Cart is fitted with soft PVC protective bumpers at the top and bottom corners. Vertical bumpers for the posts are also available as an optional add-on. Vehicles in the work environment will certainly be protected against any accidental impacts.

The base cart is the starting point for endless possibilities. Many configurations are possible, from a minimalist setup to fully equipped with all the accessories.

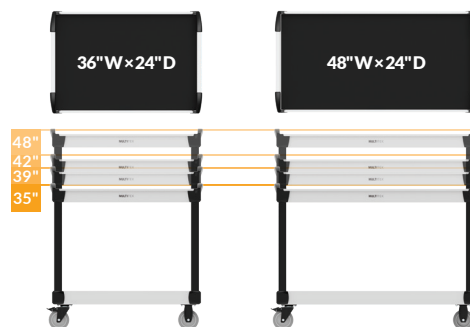

MULTIPLE CONFIGURATIONS

- In storage cabinets and under work surfaces
- Next to the work surface
- Standalone, like a caddy for transporting parts
